Your Wedding
YOUR WAY

Your Wedding at the Dean Park

Your wedding day should be all about you – and our focus is helping you to create the wedding of your dreams. With three individual function suites, we can take the stress out of the day by hosting the entire wedding under one roof. We can cater for all sizes of weddings from 20 to 200.

WEDDING CEREMONY

The **Holyrood Suite** is a long and grand room with its LED lit curtain at one end and oversized ornate mirror at the other, which provides the perfect setting as you say your vows.

It can be styled to add your own personal touch and our Wedding Co-ordinator can offer guidance on this. We can also put you in touch with those who can conduct the ceremony.

WEDDING MEAL

The **Kensington Suite** provides an elegant setting for your wedding meal where your guests can enjoy the food and drinks you've carefully chosen.

To help you plan your perfect wedding menu, we have a fantastic selection of dishes to choose from on our selector menu, or you can customise to your taste.

RECEPTION

After the meal, there will be no waiting as your guests can flow seamlessly into the **Balmoral Suite** for the reception entertainment, making your wedding a smooth and truly memorable occasion.

Featuring LED ceiling lighting and a black LED dancefloor that is fully programmable, you can customise the room to complement your wedding colour scheme.
